Congratulating you personally in Atlanta and hearing you say "thank you" for the wonderful honor of your receiving the Farran Zerbe Award from the ANA is not enough to show my delight in that achievement. Throughout the decades I have known you I have noted your fantastic memory, your enthusiasm, your fair dealing, your love of numismatic work, your help to others, your generosity and your demonstrating "what you see is what you get".

I am thrilled that you were selected, I was totally surprised. May you get endless satisfaction from the recognition.

Your friend,

Eric P. Newman
